Procedure	Guide	Number
Sphenopalatine ganglion block		
Greater and lesser occipital nerves blocks - proximal cervical		
Greater and lesser occipital nerves blocks - distal		
Trigeminal ganglion block		
Maxillary nerve block		
Mandibular nerve block		
Supraorbital nerve block		
Infraorbital nerve block		
Mental nerve block		
Auriculo-temporal nerve block		
Glossopharyngeal nerve block		
Cervical selective nerve root injection		
Cervical epidural		
Cervical facets		

Procedure	Guide	Number
Cervical Medial branch		
Stellate ganglion block		
Brachial plexus block - Interscaline approach		
Brachial plexus block - Supracavicular approach		
Brachial plexus block - INFracavicular approach		
Brachial plexus block - Axillary approach		
Intercostals nerve block		
Thoracic Trans-foraminal nerve root /dorsal root ganglion blocks		
Suprascapular nerve block		
T2, 3 sympathetic block		
Thoracic facet injections		
Thoracic facet/ medial branch		
Thoracic epidural block		
Costo-transverse joint injection		
Thoracic paravertabral block		
Erector spine plane block		
Serratus anterior plane block		
Pec 1 & 2 block		
Parasternal block		

Procedure	Guide	Number
Subrectus sheaths block		
TAP block		
Quadratus lumborum block		
Ilio-inguinal + ilio-hypogastric nerve block		
Genito-femoral nerve block		
Pudendal nerve block		
Lumbar Trans-foraminal nerve root/ dorsal root ganglion blocks		
Splanchnic nerve block		
Celiac ganglion block US		
Celiac ganglion block - Posterior approach		
Lumbar sympathetic - US		
Lumbar sympathetic lesioning - Fluoroscope		
Lumbar facet injections		
Lumbar median branch block and neurolysis		
Transforaminal epidural catheter placement		
Intra discal electro procedures		
Vertebroplasty		
Lumbar epidural block		
Sacral selective root injection		

Procedure	Guide	Number
Superior ypogastric plexus block and neurolysis		
Ganglion Impar block		
Sacroiliac joint injection		
Caudal block		
Epiduroplasty - adhesionolysis		
Radial nerve block - arm		
Radial nerve block - Deep branch at supinator		
Ulnar nerve block- cubital tunnel		
Ulnar nerve block- Guyon tunnel		
Median nerve block - forearm		
Median nerve block - CTS		
Femoral nerve block		
Femoral nerve block		
Obturator nerve block		
Lateral femoral cutaneous nerve blocks		
Sciatic nerve blocks		
Piriformis muscle injection		
Intrathecal Implantation		
Spinal cord stimulator		

Procedure	Guide	Number
Intra-articular injections - hip		
Intra-articular injections - knee		
Intra-articular injections - Ankle		
Intra-articular injections - shoulder		
Intra-articular injections - elbow		
Intra-articular injections - wrist		
Subacromial-subdeltoid bursa injection		
Acromio-clavicular joint injection		
Biceps tendon sheath injection		
Common extensor tendon injection		
Common Flexor tendon injection		
De Quervien tenosynovitis injection		
Trigger finger		
Carpometacarpal joint injection		
Metacarpophalangeal joint injection		
Interphalangeal joint injection - hand		
Genicular branches block for knee joint		
Articular branches block for hip joint		
Trochanteric bursa injection		

Procedure	Guide	Number
Peng block for hip		
Pack block for knee		
Adductor canal block		
Common perineal nerve block		
Superficial perineal nerve block		
Deep perineal nerve block		
Tibial nerve block		
Posterior tibial nerve block		
Sural nerve block		
Saphenous nerve block		
Sub-talar joint injection		
Morton neuroma		
Tarso-metacarpal joint injection		
Metatarso-phalangeal joint injection		
Inter-phalangeal joint injection - foot		
Planter fascia		
Tendon achilis		
Medial collateral ligament - knee		
Lateral collateral ligament - knee
